## **ANNEXURE B – Form 2**

The Applicant was allowed to sell liquor until 20h00 in terms of its licence issued under the Liquor Act 27 of 1989.

The Western Cape Liquor Act was approved after widespread public participation and it is submitted that it reflects the will of the people of the Western Cape.

The Act provides for licence holders with off-consumption liquor licenses to apply for trading hours until 20h00.

It is submitted that the Control of Undertakings that Sell Liquor to the Public Bylaw reflects the will of the citizens of the City of Cape Town.

This includes allowing responsible licence holders to apply for extended trading hours until 20h00.

Due to their working hours a significant percentage of the applicant's customers find it very difficult to purchase liquor before 18h00 on weekdays.

The extension of trading hours until 20h00 will allow them to do so (as they had been able to do under the Liquor Act 27 of 1989).

### **THE PROXIMITY OF LICENSED PREMISES TO SURROUNDING RESIDENTIAL ZONED AREA, CULTURE, RELIGIOUS AND EDUCATIONAL FACILITIES**

The manner in which the business is carried on under the current trading hours does not prejudice the residents of a residential area or the proceedings in cultural, religious or educational facilities and it is submitted that there is no reason why an extension to 20h00 will change this situation.

### **THE POTENTIAL IMPACT ON THE SURROUNDING ENVIRONMENT**

The current activities of the applicant do not have any negative impact on the surrounding environment and it is submitted there is no reason why an extension to 20h00 will change this situation.

### **THE RISKS TO AND NUISANCES ON THE SURROUNDING COMMUNITY**

The current activities of the applicant do not pose a risk or nuisance to the surrounding community, and it is submitted there is no reason why an extension to 20h00 will change this situation.

### **MITIGATION MEASURES TO ASSIST THE CONTROL OF RISKS AND NUISANCES**

The applicant submits that its current activities do not cause risk or nuisance to the surrounding community.

No mitigation measures are therefore required.

However, should the applicant become aware of any risk or nuisance in future it will implement suitable measures to mitigate the risk or nuisance.

### **PUBLIC INTEREST**

The proposed extension will improve the shopping experience of the public by allowing customers time after working hours in which to purchase their liquor.
